## Continuous Inkjet Printers: The Ax-Series

Speed, accuracy, and the ability to perform in tough and varied environments give the latest Domino Ax-Series Continuous Inkjet (CIJ) Printers unique technological advantages. An industry breakthrough, our new generation of ink drop technology gives you gains in ink usage, droplet accuracy, and placement at traditional print speeds. Our revolutionary i-pulse system allows you to rapidly print high-contrast, durable messages and multiple lines at high speeds.

Quite simply, CIJ printing technology is one of the most frequently chosen coding solutions. It is fast, durable, designed to be easy to operate, flexible to install and, best of all, is extremely versatile: it can print on virtually any surface. With over 35 years of experience, Codico is an expert in Codico, Marking, Labelling and Automation technology.

# Key Benefits

- 316 stainless steel for harsh washdowns
- Easily configurable
- increased productivity
- Service-free and error-free

# Ax150i

Whether you're just starting out or scaling up your production, the Ax150i provides Demoino technology at a competitive price. Benefitting from its compact size and highly-responsive stop-start performance, the Ax150i provides maximum flexibility and reliability to meet your changing coding needs. The Ax150i features the i-Pulse printhead for high-quality and consistent printing and supports a wide range of i-Pulse printing inks. Ink and make-up changes are quick and easy thanks to the intelligent consumable system

# Ax150i

With user simplicity at its core, the Ax150i benefits from the i-Techx electronics platform and innovative QuickStep user interface to provide a fast, easy-to-understand and error-reducing experience to the operator. The latest entry-level CIJ printer from Domino, the Ax150i builds on Domino's strong reputation for high-reliability, ease of use and low cost of ownership industrial printers. The Ax150i is the ideal choice if you want to save money while enjoying flexibility, reliability and simplicity in batch coding and variable data printing.

# Ax150i Key Benefits

- **Increased Productivity** - Precision ink drop generation eliminated downtime on your production line
- **Clean and Clear Codes** - High resolution print messages at your fastest speeds - 9 drop quality at 7 drop speeds
- **Flexible and Easy to Use** - Newly designed intuitive Domino interface with smartphone usability levels
- **Service-Free Operation** - Avoid or resolve problems using remote diagnostics event alerts and remote monitoring
