## Large Format Printing on Your Secondary packaging

Are you looking for high-quality box coding without hassle or regular intervention?

Meet the Cx350i, the high-resolution, large character printer designed to support your business goals relating to productivity, environment and running cost.

The Cx350i is a great alternative to label printing for cardboard, corrugated, paper bx and carton applications. Direct box coding with the Cx350i can significantly reduce you environmental footprint.

# Key Benefits

- **High Print Quality** - 65mm print height for Grade-A 1D and 2D barcodes and branding
- **Industry 4.0** - Extensive connectivity including Ethernet/IP, integration to MES and ERP systems & Domino Cloud
- **Simple Operation** - Minimum interaction, no scheduled maintenance, easy QuickStep touchscreen interface
- **Environment** - No labels, reduced pre-printed box inventory, only small drops of vegetable-based ink
